July 2020

Results day 2020

Dear Parents/Carers,

As you know GCSE Results Day this year is Thursday 20th August. Unfortunately, In light of current circumstances relating to Covid-19, we will have to alter the way we give out results to our Year 11 students.

In order to ensure students receive their results promptly, we are going to use students' school email addresses to email a copy of the results on the morning of Thursday 20th August. We will also post out a paper copy of results but this can only be done on the 20th August.

It is therefore essential that your son/daughter still has access to their school email address to receive results. We have also been informed by the colleges that they may use this email address to contact students about enrolment arrangements.

We know, all too well, what a stressful and emotional day this will be for all of our Year 11 students and even though we can't be together to offer face-to-face support, we will still be on hand to help. We have set up a dedicated email address that can be used by students and parents if you have a query on or after the 20th August.

The email address is: resultsday2020@byrchall.wigan.sch.uk. Staff will be available to follow up any messages with a phone call if needed. Also, our Careers Adviser, Julie Tindall will available to support students with college registration or advice on next steps.

As a school, we look forward to seeing our Year 11 students use their GCSE results to move on to the next, exciting steps in their education.

We, the Byrchall community, wish your child every success in the future.
If you have any queries; please do not hesitate to contact us.

Yours faithfully

Mrs T Wilkinson
Assistant Headteacher
