

Travelling to School by Bus

BYRCHALL
HIGH SCHOOL

Cost

The fares on the buses are dependent upon the type of bus and its classification as either a school service or public bus. The cost of journeys from September 2022 are shown below

School Service buses	Tickets are purchased on the bus costing £1.40 for a single, £2.40 for a return, £7.60 for a weekly return (valid to and from school only). A 28 day ticket cost £35.00 and can be purchased from any Travelshop or online at http://www.tfgm.com (no change to 2021 prices)
Public buses	These are journeys which are operated without funding from TfGM – these are known as commercial journeys. On commercial journeys, the bus operator determines the fare, but they are generally comparable. System One Weekly Saver tickets start from £8.70 and are purchasable on the bus. A day return is £2.00. For Arriva buses the cost is £9.50 for a weekly.
Token buses run by Byrchall High School	These are the 555, 778 and 888 buses. These are paid for by handing a token to the driver for each journey. Tokens are purchased from school at a cost of £1.00 each.

For **all** journeys within Greater Manchester apart from the Token buses students will need to show an IGO pass to travel at the reduced fare. If students do not have an IGO pass, they will have to pay a higher fare. It must be carried on all journeys and shown to the driver before paying the fare. **Weekly tickets are loaded onto the IGO card.**

The IGO pass costs £10 and can be bought by students who live, or go to school in Greater Manchester. More information on IGO can be found at <http://igo.tfgm.com>.

For all pupils who have been awarded a place at the school transport arrangements exist. If you cannot find the information you need here please contact the school office on 01942 728221
